GALAXY'S SkySurf service plans offer shared network access and are configured to accommodate the stated speeds. As in any best effort network speeds cannot be guaranteed. Galaxy Broadband will offer technical support in the event a subscriber is experiencing difficulty with their service plan. Should it be determined, as a result of our troubleshooting process that the problem is "site" related, the site service is the responsibility of the reseller from which the end user purchased the equipment and installation and in no way is the responsibility of Galaxy Broadband. Any warranties of the site service and equipment replacement both written or implied are strictly a contractual agreement between the subscriber and the reseller and Galaxy Broadband Communications has no liability to the end user in this matter.

Terms and Conditions

Thank you for choosing HughesNet by Galaxy Broadband Communications Inc. and provided by Hughes (the "Service").

Agreement: This agreement is between you the undersigned subscriber of the Service, and Galaxy Broadband Communications Inc. ("GBC"). By creating an account with and using the Service, you agree to be bound by these Terms and Conditions as well as our Subscriber Agreement, the Fair Access Policy and Acceptable Use Policy on our web site at http://www.galaxybroadband.ca/Galaxy_Broadband_services_hughesnet_FAP.html (collectively, the "Agreement"). This Agreement may be changed by GBC at any time without prior notice. GBC reserves the right to change the Service, the monthly fees or administrative charges at any time upon 30 days notice. Any changes to this Agreement will be posted on the GBC website. If you disagree with the changes you accept that your sole and exclusive remedy is to stop using the Service and notify GBC that you are terminating the Agreement. Your continued use of the Service after changes to the Agreement acknowledges your acceptance of the changed Agreement.

Service: The Service includes the services specified on your Subscription Application form. GBC cannot guarantee upload or download speeds. The speed will vary depending on location, weather, wiring, internet traffic, content of a particular website, program or application, as well as overall performance and configuration of your computer or local network. Multiple concurrent users may reduce speeds and performance. All Services are subject to the Fair Access Policy.

Term: This Agreement is effective as of the date your account is created with GBC and the Service is activated and will continue for the minimum number of months specified on your signed Subscription Application form (the "Term"). Upon expiry of the Term, Service will continue on a month to month basis until terminated in accordance with our Cancellation Policy. You may be given the option to take another Term after the initial Term is completed and the then current Terms and Conditions will apply. If you choose not to take another Term your monthly service will be billed the then current month to month rate.

Cancellation Policy: If you would like to cancel before the Term you will be charged an Early Termination Fee. For 24 month terms, the Early Termination Fee is the remainder of the Term (the monthly fee for your selected Service plan times the number of months remaining) or a \$450 Early Termination Fee, whichever is the lesser amount. For 36 month terms, the Early Termination Fee is the remainder of the Term (the monthly fee for your selected Service plan times the number of months remaining) or a \$550 Early Termination Fee, whichever is the lesser amount. Requests for cancellation will not be processed unless the request is received by GBC in writing. If you would like to cancel the Service after the Term you must notify GBC in writing 30 days prior to deactivation.

Promotional Offers: If you received a promotional offer, including rebates or free months of service, you must maintain a service subscription for the minimum contract period that is required by GBC to receive the promotional offer. If you cancel service before the minimum contract period has been completed, you are required to pay GBC the value of the Promotional Offer in addition to any applicable cancellation fees outlined in the Cancellation Policy.

Changes: Any changes you request to your Service are subject to a \$25.00 processing fee, including satellite changes and service level changes.

Seasonal Hold: Requests for seasonal hold must be received by GBC on our website at <http://www.galaxybroadband.ca> and can be requested once per calendar year of your Term with a maximum of 6 months on hold per calendar year. Requests are subject to a \$49.95 reactivation fee. Requests to reactivate service must be submitted on our website <http://www.galaxybroadband.ca>. Accounts on seasonal hold will be billed a standby charge of \$15.00 a month until the service is reactivated. Service will automatically be reactivated and billed the monthly service plan rate six months after the hold is requested. Requests to reactivate service before the maximum six month hold period must be submitted on our website at <http://www.galaxybroadband.ca>. Period of time service is on hold will be added to contract end date to complete the Term. Minimum of two business days required to reactivate service.

Payment: You agree to pay GBC the applicable monthly fees for the Service, all applicable taxes and any administrative fees that may be assessed (the "Fees"). The monthly Fees are payable when due. You authorize GBC to charge the Fees to the method of payment selected on your Subscription Application form, either by credit card or by pre-authorized payment. Billing is automatic and will be made each month in advance. You must provide GBC with accurate and complete billing information, as well as the location in which the Service has been installed. If your account is past due it is subject to a late payment fee. Delinquent accounts may be suspended or cancelled at the sole discretion of GBC, however your monthly service charges will continue until your account has been cancelled in writing and all applicable Fees, including Early Termination Fee, will be applied. A suspended account is subject to a \$49.95 processing fee. A minimum period of 1-2 business days required to re-activate suspended accounts. Payments returned from the bank for Pre-authorized payments for insufficient funds are subject to a \$35.00 service charge. Payments returned from the credit card company for insufficient funds are subject to a \$20.00 service charge.
